

*RIPE Altadena* Presents:

## Native Plants for Your Yard!

Thoughtful landscaping with locally indigenous plants can save water, labor and other resources while providing personal and environmental benefits. Native plants attract butterflies, bees, hummingbirds and lizards – wild creatures which add another dimension to a rewarding endeavor.

*Roger Klemm has landscaped with native plants for over 20 years. He will share with us the joys, trials and tribulations of working with native and Mediterranean climate plants. Come learn the secrets from. Take home what you learn so that you can plant a stunningly beautiful garden that will thrive on rainfall in your yard for you!*

When: Sunday June 3<sup>rd</sup> @ 3:00 p.m.  
\$20.00 or \$10.00 with garden bounty donation from your yard

Where: Pasadena SDA Church; 1280 E Washington Blvd., Pasadena
